**City of Warroad Lighting Rebate Program Rules:**

**Replacements/Retrofits Qualifications:**

- operating during normal business hours 9am-9pm.
- Must be a City of Warroad Utility Customer.

\*For lamps only: the maximum rebate per lamp is 50% of the equipment cost.

**Rules:**

City of Warroad Utility Dept reserves the right to limit any rebate.  
 Customers must submit itemized invoices along with the rebate application.  
 City reserves the right to discontinue the program at any time. The customer is responsible for checking with the City of Warroad Utilities to verify that the program is still being offered.  
 City reserves the right to inspect installations in order to verify qualifications before rebates are issued.  
 Customers must apply for rebates within six months of construction of the new facility.  
 Installations must be complete before rebates will be issued.  
 Must be a permanent installation.  
 City will evaluate each year based on the budget to determine the total amount available for rebates.  
 Customers will be considered on a first come - first serve basis.  
 Rebates of over \$1,000 must be pre-approved. Contact City Superintendent prior to submitting application.  
 Minimum rebate amount is \$20.00 ( Allow 6-8 weeks for rebate check to arrive )

Please attach all invoices/ proof of purchase.
